Materials

Lectures

The lecture slides are generated from {url-slides}[markdown files].

Lecture	Dark	Dark PDF	Light	Light PDF	Package	Solution
Example	Dark	Dark PDF	Light	Light PDF	ZIP	ZIP

Homework

NOTE	The homework slides will not directly shared with the students, so there is no issue that some of them exceed the content. They will be only used as structured reference to create the homework issues on Gitlab using the {url-tools}/#gitlab-issue-creation-from-homework-slides[Gitlab issue creation module].

Homework Package to create the initial student homework repositories. This can be done automatically using for N groups using the {url-tools}/#gitlab-project-creation[Gitlab project creation module].
